

SQUAMISH VALLEY ROD AND GUN CLUB

Presidents Report Six

December 2008

The first item is the monthly meeting date. After much confusion this is the date:

MONTHLY MEETING IS THE 3RD THURSDAY OF THE MONTH

The next meeting is December 18th. 7:00. An agenda will be posted one week prior.

Only two members attended the November meeting, consequently there will be no minutes as the contents of the agenda will require reviewing at the December meeting.

Discussion with Kiewit and Ministry of Highways on compensation work should be completed by December 15th.

Range Use

Shooters continue doing a better job of cleaning up their casings, targets and stands after use. Disposal of garbage needs to be addressed

CN and the RCMP are utilizing our facilities on an ongoing basis as are the Biathlon team.

Any member who has keys to any club doors, gates or lock ups, please advise me as I need this for the Club insurance policy.

VOLUNTEERS REQUIRED

The floor repair in the indoor range is going to require a work party for about a half day any volunteers, please call. Would like to do it between mid December and the end of January

Once the Kiewit remediation plan is agreed to, work parties will be required to work with Kiewit in cleaning up and building new facilities such as the trap range.

CLUB FACILITY SCHEDULE

The December and January are available. Please advise of any errors or additions

Cheers

Mike
