

SQUAMISH VALLEY ROD AND GUN CLUB

Presidents Report One 2009

April 2009

2008 - 2009 was a year of:

- Securing our property, making a long term agreement with Ministry of Highways for our safety buffer over their Rayner pit operations that would see SVRGC become tenure holders when MOTH has no further use of area.
- Negotiating with Kiewit and Ministry of Transportation Highways (MOTH) on compensation work.
- Contacting our immediate enamours with our plans and theirs.
- Working with the District of Squamish in having our lands and surrounding designated as "industrial" and insuring that municipality advises residential developers of location and activities and we are not leaving!
- Advising police agencies and other users of our updated rental rates and terms of reference.

Range Use

Shooters continue doing a better job of cleaning up their casings, targets and stands after use. Disposal of garbage has been addressed and new rules and regulation signs put up. Shooting benches re-built

Policing agencies will be utilizing our faculties on an ongoing basis in preparation for the Olympians are the Biathlon team.

Archery

Archery Section continues to grow and has produced winners at various levels of completion in the province and elsewhere.

GOALS FOR 2009-2009

- Complete with Kiewit the re-landscaping compensation work
- Clean up, paint up our buildings and grounds in including the caretaker residence and surroundings
- Re-build trap shooting range and facilities
- Complete repairs to clubhouse floor

CLUB MEMBERS CAN NOT EXPECT CLUB FACILITIES TO BE BUILT OR MAINTAINED IF MEMBERS DO NOT VOLUNTEER TIME FOR WORK PARTIES! OFFER YOUR SERVICES.

Cheers

Mike
